

PLYMOUTH BALLET SCHOOL

UNIFORM

WHY IS THERE A UNIFORM?

- **Feeling Part of a Team:** Wearing our uniform creates unity and belonging within the school. It creates a feeling of being part of one big dance family and a sense of pride.
- **Practicality and Safety:** Ballet Uniform is a safe and practical outfit to allow teachers to properly correct students. Ballet attire makes the lines and body placement much more visible to the teacher and helps students dance correctly and safely.
- **Sense Of Achievement:** Our uniform is progressive and provides students with something to strive for! Our youngest dancers in Blue Leotards look up to our older and more advanced students in Grades 1 & 2, who wear Royal Blue Leotards. Then in Grades 3-5, our Students wear Navy Blue. There is always a sense of excitement and pride when children move up and finally get to wear the next colour!

HOW TO ORDER:

All uniforms are to be ordered with Miss Marina.
Please email your child's sizes & what you require. You will
be invoiced accordingly and the Uniform will be handed
out in class.
